Hi Rob, good talking with you just now re the March 17, 2019 9000 gl. gas tanker fire in LA County at 210 W. Slauson. I am awaiting the IR from Anastasia Norris. Considering all of the circumstances in this case, OSPR's best recourse may be to go to the federal fund for response cost reimbursement. If you can provide us the documentation we need re coordinated response that would be very helpful. Also, if you can send or arrange to be sent any completed reports you have on this case, that would be appreciated.

Thanks,

Lisa
